Newsletter
Issue #3 - June 2021

Welcome to our third newsletter. We will keep it brief and relevant. We will never share your email address with anyone.

Mission Bells is a 501(C)3 not for profit corporation

Mission Bells Food Pantry has served SW Houston since 1985.

We get most of our food from Houston Food Bank at a very low or no cost. We also purchase food from local grocery stores when the inventory is low using funds we receive from patrons.

No paid employees. We are all volunteers, some going back over twenty years.

- People served: * March, 2021: 6,741 * April: 7,418; * May: 7,102 .
- Thanks to Kroger and HEB! They collected and donated approximately 7,800 Lbs. of groceries under the Red Barrel Partner Program.
- Our partnership with INTERNATIONAL LEADERSHIP OF TEXAS is continuing and doing well. Because of their generosity we are able to provide milk on Saturdays.
- We recently purchased a shipping container to store food as we were short of space. The storage is fully operational. It allows us to order/store/give more food. We will air-condition the container to store the food in a safe and environmentally controlled building.
- Our website was updated recently. Donations can be made directly from our website using credit cards or PayPal. Checks can be mailed to Mission Bells Food Pantry. *More on our website* www.missionbells.org

Thank you to the devotees of Houston Durga Bari Society! They recently donated about 600 Lbs. of food to feed the hungry. Houston Durga Bari Society is located at 13944 Schilller Rd. They have been supporting us for several years now and, have been steadily increasing their participation. Their generous donations will go directly to support our programs helping those in crisis. What a wonderful neighbor who cares about the community!!
